

ENHANCED CYBER PROTECTION FOR MORE SIGNIFICANT THREATS

Service professionals like accountants, bookkeepers, tax preparers, and auditors collect and store large amounts of confidential client data, which makes them top targets for cybercriminals. With the increase in remote work and virtual accounting services, we've enhanced our cyber liability option for our **Accountants Professional Liability** to help guard you against the spike in cybercrimes.

An increase in threats calls for greater protection.

See how our enhanced **Cyber Suite** endorsement stacks up. You'll find out just how much coverage you'll get for your dollar.
